BILD Teaching Academy

BILD Teaching Academy is set up to offer hands-on laser courses for dentists. BILD provide UK and international courses taught in English by renowned specialist dentists.

The UK hands on courses are run by Dr Anoop Maini & Dr Daz Singh. These courses are so popular, they are booked well in advance.

Please email us info@bildentistry.com or visit www.bildentistry.com for further information or contact the course sponsor Quicklase on 01227 780009 to book your place right now.

Testimonials

"Anoop, you are focused, dedicated and passionate educator. You put your heart and soul into the material and you truly want to see your audience succeed and experience success in many different forms.

You've also honed your skills and your ability to transfer complex information in a way that people can really understand."

Dr Ryan Swain - Founder Six Month Smiles

"Very polished delivery Anoop from the first minute. Informative, interactive with all questions answered precisely, excellent hands-on, loads of tips to implement immediately in practice, GREAT DAY... BILD laser hands-on"

Dr Finbar Bryson

"It is one of the only courses in the last couple of years that I genuinely thought WOW, I actually learnt an unbelievable amount from this, I would highly recommend it... Anoops delivery and presentation was excellent... Hands-on was brilliant too... BILD laser hands-on"

Dr Ahmad Nounu

"I agree with the feedback 98% excellent. The course was excellent, both Anoop and Fadi had a near encyclopaedic knowledge on the subject. All delivered with panache and a high level of entertainment. The hands on was great. It was full of genuinely useful information that would work in a general practice environment!... BILD laser hands-on"

Dr Luke Hutchings

"I didn't realise that there is so much more to a laser, and so many more uses than I imagined ... at the BILD laser hands-on"

Dr Gary Fossey

"One of the best pieces of equipment that I have bought. It's small and portable. I do not use the electrosurge anymore. Exceptional results every time. Great to have. You need one…"

Dr James Goolnik

"Honestly priced laser and it works. I love it for the gingival contouring. Buy it with confidence, great company, product and service…"

Dr Paymon Langroudi

"You can fine tune and get accurate impressions. No ancillary damage to surrounding tissue…"

Dr Jay Padayachy

"A really great one Anoop.. succinctly delivered in a unique style and very enjoyable day that I took a lot away from!... BILD laser hands-on"

Dr Pinkoo Bose

"This laser system fits in our high level high-end cosmetic aesthetic dentistry surgery. The company is second to none when it comes to service and support. A fantastic British built product…"

Dr Mervyn Druian

"It's a marketing as well as clinical instrument; lasers are the ideal cutting instrument for soft tissue. If you are interested in raising the profile of your surgery then buy a laser now. You will notice the difference…"

Dr Ashley Watson
